EMBARK ON YOUR LEADERSHIP QUEST:

WOOD BADGE - THE REBEL ALLIANCE NEEDS YOU

Calling all Scout leaders! The Rebel Alliance is recruiting, and we need commanders ready to lead the fight for exceptional Scouting.

We believe Scouting has the power to transform young people's lives. We believe that exceptional leaders are the spark that reignites this mission in their communities. We believe you have what it takes to be that spark.

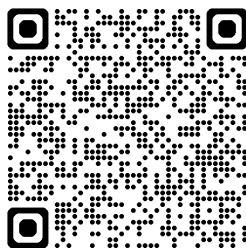

We're calling on Scout leaders like you to step up.

Through a week-long immersion, you'll build your leadership foundation within patrol squadrons tackling real challenges. You'll develop the vision, courage, and tactical brilliance needed to guide the next generation. You'll forge lifelong bonds with fellow leaders who share your commitment to the cause. Transformational growth.

Here's what you'll gain: The tools, strategies, and clarity to complete your personal mission—your "Ticket to Leadership"—so you can inspire youth across your unit for the next 18 months and beyond. You'll earn your Wood Badge neckerchief, leather woggle, and beads as symbols of your commitment to this movement.

Awaken the Force Within You! — Your training begins now.

We are the spark that reignites Scouting!
